JOIN US IN ROTTERDAM IN 2027!

It is my great pleasure to invite you to Rotterdam, the Netherlands, for the **22nd Congress**, taking place **September 7–10, 2027** – a leading international meeting offering outstanding opportunities for **exhibitors and sponsors** to connect with a highly specialized, multidisciplinary audience.

The congress theme, **“Team Care,”** reflects the future of craniofacial and reconstructive medicine. Alongside **plastic surgeons, neurosurgeons, maxillofacial surgeons, and orthodontists**, the meeting actively engages **ophthalmologists, ENT surgeons, anesthesiologists, radiologists, geneticists, researchers, psychologists, and other key stakeholders**. This creates a unique environment for industry partners to reach decision-makers across multiple specialties in one setting.

The **Pre-Congress Symposium** and main scientific program will address clinically relevant, practice-driven topics—such as airway management in craniofacial anomalies—where innovative products, technologies, and services play a crucial role.

Ample time is dedicated to **networking and multidisciplinary exchange**, complemented by informal social events, including a **congress dinner party**, designed to encourage meaningful interaction between delegates.

The congress will be held at **De Doelen**, an iconic concert and convention venue in the heart of Rotterdam, offering excellent visibility in a prestigious setting. Rotterdam is easily accessible via **Schiphol Airport**, with the venue and official hotels located within a five-minute walk of the central train station. The city’s vibrant cultural and culinary scene further enhances delegate attendance and engagement.

Why Exhibit or Sponsor?

- **Access a highly targeted, international audience** of 800 expected senior surgeons and multidisciplinary decision-makers
- **Position your brand at the forefront of team-based care and innovation**
- **Align with clinically relevant topics** where industry solutions are essential
- **Maximize visibility** in a central exhibition space within a premium venue
- **Build strong relationships** through dedicated networking time and informal social events
- Benefit from strong attendance driven by an attractive, easily accessible European destination

Contained in this brochure is information about various sponsorship options. Our congress team is happy to work with you on other creative ways to support this truly global event.

Rotterdam is looking forward to welcoming you!

- After June 1st, 2026 – no refund

In the unlikely event of a requirement to postpone or change the dates of the event due to decisions made by the Dutch authorities relating directly to pandemic or COVID-19 regulations, the Program Committee agrees to transfer any pre-paid exhibit fees to equivalent activities at the equivalent replacement event. Refunds will be considered if such replacement opportunity is not made available.
